## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 2-6 and 10-16 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a light emitting diode comprising a generally T-shaped body section including base portions having mounted surfaces to be mounted on a peripheral edge of a hole opened in a motherboard and an upright portion raised from base portions for being inserted into hole, a resin forming section including a non-translucent frame projecting from a surface of body section and an extension part which projects from body section to project more forwardly than the frame and which has a mounted portion for being mounted on the peripheral edge of the hole of the motherboard, a light emitting diode element mounted in a concave portion provided in frame and a translucent sealing formed in concave portion of the frame to seal the light emitting diode element, where the resin forming section is formed integrally with body section by a transfer forming.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
